| <ul style="list-style-type: none"> • very good slides and pretty easy going • Amazing • Very clear in explaining concepts. Midterm notes and recitation notes were very helpful in understanding class content. • , the TA's of the classes conducted sessions mostly when I had other classes. furthermore, TA's did answers emails very quickly the TA did not record most of their sessions, nor did they teach the approach to macro economic questions. • Mitchell had a very calm demeanor in class which I appreciated. He brought unique perspectives on the material and explained the content at a good pace and thoroughly. • na • good | |
